Third Coast Capital Advisors Represents Communications Service in a sale to a Private Investor

Third Coast Capital Advisors recently represented Communications Service in its sale to a private investor.

Established in 1956 and headquartered in Portage, Wisconsin, Communications Service is a Motorola authorized two-way radio channel dealer. The Company specializes in turnkey public safety communications system design, including needs analysis, system design, implementation, and 24x7 system maintenance. The Company also sells, installs, and services a full line of communication products for commercial and public-safety purposes.

Third Coast Capital Advisors acted as the exclusive financial advisor to Communications Service, working closely with the shareholders and management team throughout the sale process. This included providing advisory expertise and managing the marketing, negotiation and due diligence phases of the transaction.
