Third Coast Capital Advisors Represents AFC Industries in its Acquisition of Best Bolt Products

Third Coast Capital Advisors served as exclusive financial advisor to AFC Industries, a portfolio company of Incline Equity Partners, in its acquisition of Best Bolt Products. Our Acquisition Search services included identifying the target and making contact with its owner, as well as providing assistance on valuation, transaction structure and the negotiation and closing of the transaction. This transaction represents our second acquisition for AFC in 2017 and is a good example of our ability to identify and execute proprietary, strategic add-on acquisitions for private equity portfolio companies.
