Third Coast Capital Advisors Represents GSI Group in its Acquisition of Lincoln Laser Company

Third Coast Capital Advisors served as exclusive financial advisor to GSI Group in its acquisition of Lincoln Laser Company. Through our Strategic Acquisition Search services, we identified Lincoln Laser as one of a number of strategic targets for GSI Group who hired us to help support their plans to grow through acquisition. Our services included making contact with the company and maintaining a strategic dialog with its owners throughout the transaction process.

Lincoln Laser Company, based in Phoenix, Arizona, is a provider of ultrafast precision polygon scanners and other optical scanning solutions for the medical, food processing, and advanced industrial markets.

GSI Group, Inc. (NASDAQ: GSIG) is a global leader and supplier of laser, precision motion, and vision technologies to original equipment manufacturers in the medical and advanced industrial markets. The Lincoln Laser business will integrate within Cambridge Technology, a GSI business unit and leading provider of galvanometer-based, optical scanning solutions for advanced industrial and medical applications.
