Third Coast Capital Advisors Represents MAVERICK Technologies in its Acquisition of CQS Innovations

Third Coast Capital Advisors represented MAVERICK Technologies in its acquisition of CQS Innovation, Inc. Our Strategic Acquisition Search and Advisory Services included making contact with the target and starting a strategic dialog with its owner, as well as providing assistance on valuation, transaction structure and the negotiation and closing of the transaction.

CQS Innovation, Inc. is a Michigan-based systems integrator specializing in control and information systems for life sciences, chemical and metal industries.

MAVERICK Technologies is the largest independent systems integrator in North America, and a global leader in Industrial Automation, Enterprise Integration and Strategic Manufacturing Solutions. With over 500 engineering professionals on staff at 19 offices, MAVERICK works with clients across a wide range of manufacturing and process industries — from oil and gas to food and beverage. Founded in 1999, MAVERICK has completed more than 10,000 projects in 45 countries across six continents.
